RESPONSE TO OFFICE ACTION DATED AUGUST 22, 2005

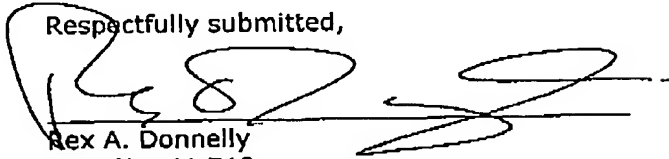

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Per the telephone conversation between the undersigned and Examiner Donnelly on October 17, 2005, the applicant respectfully requests that a new Office Action be issued for the above-identified patent application.

The Office Action dated August 22, 2005 does not correctly reflect the subject patent application. For example, the Office Action objects to claim 24 as being dependent on a non-allowed claim, but claim 24 is in fact an independent claim. Other language in the Office Action refers to claim elements that are not present in the claims as filed. Accordingly, the applicant assumes that the text of the Office Action was intended for a different application.

Respectfully submitted,

Rex A. Donnelly
